ST JOHN'S
A PRIORY ACADEMY

Enrichment

St John's Vision for Enrichment

At St John's Primary School, we believe that childhood should be filled with opportunities to explore, discover and shine. Through a rich and inspiring programme of enrichment, we aim to create memorable experiences that nurture curiosity, build character and help every child develop a sense of purpose, belonging and aspiration

.

Guided by our values of kindness, confidence, tolerance, respect and self-discipline, we strive to ensure that every child feels empowered to step beyond their comfort zone, embrace new challenges and celebrate the unique talents and strengths they bring to our school community. We want our children to leave St John's with treasured memories, broader horizons and the confidence to make a positive difference in the world around them.

Our enrichment opportunities are designed to bring learning to life and reflect our curriculum drivers. Through a wide range of experiences, children learn to communicate clearly, sharing their ideas, opinions and talents with confidence. They are encouraged to overcome difficulty, developing resilience, determination and a belief that they can succeed when faced with challenge. We inspire them to prioritise health, understanding the importance of physical, emotional and mental wellbeing, and we help them to recognise achievement, celebrating effort, progress and success in all its forms.

At St John's, we believe enrichment is not an addition to education but an essential part of it. It is through these experiences that children discover new passions, develop lifelong interests, strengthen friendships and grow into compassionate, confident and responsible citizens who embody our school values every day.

Pupil Leadership

ST JOHN'S
A PRIORY ACADEMY

Championing children; making a difference

Pupil Leadership

At St John's, we believe every child can make a difference. Our pupil leadership roles give children the opportunity to lead, represent, support and inspire others.

Head Boy and Head Girl

Our Head Boy and Head Girl are role models for the school, representing St John's and helping to make our school even better.

Deputy Head Boy and Deputy Head Girl

Our Deputy Head Boy and Deputy Head Girl support the Head Boy and Head Girl, help with whole school events and are excellent role models.

House Captains

Our House Captains lead their house, support house events and encourage everyone to take part.

Prefects

Our Prefects help to make St John's a happy, safe and welcoming place for everyone.

School Councillors

Our School Councillors listen to the views of all pupils and help to make positive changes in school.

Reading Ambassadors

Our Reading Ambassadors share their love of reading, inspire others and help to promote reading across the school.

Online Safety Champions

Our Online Safety Champions help to keep everyone safe online and make sure we use technology responsibly.

Eco Committee

Our Eco Committee lead on ways to look after our environment and make our school greener and more sustainable.

Play Leaders

Our Play Leaders help to make playtimes fun, active and inclusive for everyone.

Leaders today, brighter tomorrow!
